starting point

Our next Starting Point class will be on Sunday, September 20th, at 12:30p. This is a great opportunity to find out who we are as a church and to find out what your next step should be. There will also be an opportunity to become a member. Lunch and childcare are provided. Sign up at the Info Center

connect fair

On September 27th, we will be having a Connect Fair! This will be a great place to find out how you can get connected. You will have the chance to get info on serving opportunities in the different ministries here at Eastridge, as well as learn more about our community groups and find the right one for you!

women's bible study – fall topic

Women's Bible study will relaunch on October 1st and you have the opportunity to help us choose the topic for this fall! There are four options available at the Information Center. Stop by, look at the studies, and cast your vote. The voting will run through September 6th so feel free to take your time to do research and pray about where God is leading the women of Eastridge this fall!

rest stop update

The Rest Stop for our local police, paramedics, and firefighters has been a huge success! Every month, we will update you on what the rest stop needs to keep making the space pleasant rest for our community servants. This month our top need is water bottles. We are also still happy to collect pre-packaged snacks, other bottled beverages, caffeinated K-cups, gum/mints, etc. If you have questions, please email danae@eastridgechurch.org!

awana volunteers

Awana is a program for elementary kids to come to church on Wednesday nights and learn more about scripture. We are currently in need of leaders for both the 3rd-5th grade boys group and the 3rd-5th grade girls group. This would entail listening to the kids recite bible verses and signing them off in their handbook. You would also make sure they got to the games and Bible story rotations. Weekly or bi-weekly rotations are possible. Sign up at the Information Center!

help in the grounds

If you are interested in working outdoors, we are looking for some people to help pull weeds, trim hedges, and spread some bark throughout the property. If you are interested in helping out, sign up at the Information Center.
