# THUNDER RETREAT

October 20-22, 2017

**C**alling all adventurers! The quest of a lifetime awaits you this fall at Cascades Camp! Hold onto your hat, grab your trusty compass, and join hundreds of others (...maybe even Indiana Jones himself!) on October 20th -22nd, 2017 in "the search for meaning."

You'll dodge mummies and giant boulders in an epic big game, participate in thrilling activities like Ultimate Frisbee, zip lining, trail rides, and crafts, and be challenged in your faith as you learn how to navigate all the obstacles that come your way. You'll also be inspired through worship led by Crossroads Community Covenant Church in Yelm, WA, and encouraged by messages from Erik Anderson, the Outreach Pastor at Crossroads Church in Woodbury, Minnesota. Sound like an adventure you can't pass up? Talk to your youth leader, invite all your friends, and get registered TODAY!
